

MJM National Camp-Out

As part of MJM's "20th Year Celebration" next year, the Dayton Believers TEAM is **considering hosting** an "Old Time MJM Camp-Out". MJM has not held a national camp-out for many years. Many will remember, when MJM first got started the great times of fellowship, praise and worship we enjoyed at those camp-outs. We have two camp-out goals in mind. The first goal being to rededicate ourselves to our Lord. With a second goal of rededicating ourselves to reaching lost bikers for our Lord. The camp-out theme will be "Bikers Still Need Jesus". Following the MJM Camp-out guidelines, we presented our basic plans to Bob Dillon our MJM Rally Coordinator. He gave us the OK to host this National MJM event.

We are only in the planning stages. **This is not a reservation form.** We need member input before proceeding. We are just putting out this feeler to see how many MJM members would be interested in attending such an event. This will be a low cost laid back event with no frills like our early/first camp-outs were. There will be a lot of free fellowship time. We will only be making arrangements for the camping & housing locations, a daily event/ride and daily praise and worship times. The location for the camp-out will be centrally located someplace around the Richmond, Indiana area.

Two things are needed for us to proceed. First, we must receive a positive response from the MJM members or we ***will not*** have a 20 year National Camp-Out. Like our Spring Kick-Offs, this event must be AMA Sanctioned. For sanctioning, we need to have a camp-ground and hotel confirmed for our November AMA Sanctioned meeting. As you can see, this gives us little time to accomplish. Please complete the form below and return to TEAM President Karl Wardlaw by Wednesday October 1st. You may also e-mail your preferences to MJMTrikers@woh.rr.com

Hope to hear back from you very soon.
