SPRING KICK OFF

GETTYSBURG PA.

FREEDOM IN THE LORD

HOSTED BY THE ROLLING SAINTS T.E.A.M.

FREEDOM IN THE LORD

The SKO was held in Gettysburg Pa and hosted by The Rolling Saints T.E.A.M. this year. There were so many great pictures to choose from to pick just a couple to put in the news letter for July was impossible. Soooooo! I decided to do a small booklet to show you all the great time we all had this year.

We gathered everyone together for a group shot, and for some reason or another they all listened to Terri "Trip" Jones and turned around!

When Vern and Linda Hawkins show up they not only bring their home they bring their garage!

On Friday while waiting registration at 3pm the gang took a road trip to Harley Davidson Plant. We could only have outside pictures. They would not let you take any pictures inside.
