HAPPY NEW YEAR

Choices in 2025

I truly believe God has and does today take a hand in our country, America. With occurrences with people like Tisquantum (Squanto) in 1620 with the Pilgrims; a native who was captured and made a slave, ended up in England, learned to speak English, made his way back to this continent, met the Pilgrims, and was instrumental in saving them. Then there's the many miracles laid on George Washington from the French and Indian War where he was said to be 'bulletproof' and to the mysterious 'fog' which allowed escape of the Continental Army in New York from the British and paved the way for America to be born.

But since the early 60's when God's writing was forbidden in schools and elsewhere I have seen our country in a moral decline. Until recently that is, Lord willing. There now seems to be pockets of revivals and awakening to God happening here and elsewhere across the globe. I also believe God saved Donald Trump from that assassin's bullet. Perhaps the scripture of **2 Chronicles 7:14** has had something to do with it. **"If my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and I will forgive their sin and will heal their land"**.

We might have been given another chance. Like Nineveh in Jonah 3 our country and us as participants in this 'experiment' we call Representative Democracy have a choice. So many are on the fence and are lukewarm (spiritually useless). Remember Jesus said of such **"I will vomit you out of my mouth"** Revelation 3:16.

It's time to get serious with and about God. Time for 'wisdom' to guide our choices. **Psalm 111:10** says, "The fear of The Lord is the beginning of wisdom". The word fear here is often misconstrued. The word fear here can also be translated reverence and the meaning of reverence is 'a feeling of profound awe and respect and often love'.

May we all have the wisdom to make right and righteous choices.

Happy New Year – George Tamburino (NY)

EDITORS NOTE

Happy New Year to Everyone! It has been such a busy and hectic past couple of months. Thanksgiving was busy. Tom and I were both sick with the cold that's going around. But we still carried on and had Thanksgiving. It turned out wonderful. Christmas came around and it was busy but it was a good busy. We had a very merry Christmas. Family came to visit from Chicago and stayed for a week during New Year's. Needless to say, Tom and I need a vacation, lol. Every year Tom and I have a theme for the New Year. This year it is 'Let It Go'. I am going to retire June 1 this year. I have so many material things that have not been used for years. If I keep it up we will have to build another building for all these things that have not been touched in years. LET IT GO. I also have some internal struggles that take up way too much space and time. LET IT GO. Psalm 55:22 says, "Cast thy burden upon the LORD, and he shall sustain thee: He shall never suffer the righteous to be moved". Lighten your load and LET IT GO!!!!!!.
