

T.E.A.M. VOICE

Issue #3-2025

A dear friend and past MJM Member passed away. Mark Tronerud went to be with out Lord on February 27th just 5 days after his birthday. He had a major stroke about a week ago. Mark and his wife Donna joined MJM in 2004. They were both very active in the Dayton Believers TEAM. Supporting most TEAM events. In 2006, Mark became the Voice Editor and a member of the Board that same year. Was editor until 2008 and served on the BOD until 2009. In 2007, Donna became our National Treasurer. Jean Gregory wanted to retire as treasurer after 18 years Donna agreed to take the job. The 4 of us drove down to Glasgrow, Kentucky and picked up all the treasury items Jean had kept, during her 18 years as treasurer. Mark and Donna both served our Lord as National MJM Officers, and faithful TEAM members. Please keep Donna and the Tronerud family in your Prayers during this difficult time.

Hello from Ohio. We have had a really cold snap here in Ohio. It was a (-1) when I got up yesterday morning, with a high for the day of (12). Last week we had 10" of snow on Monday, and another 4" on Friday, which is still on the ground. Buuuurrr, not very conducive for motorcycle riding. It's suppose to moderate starting today with temps in the upper 20s. Unlike my son, who loves snow and cold weather for snowmobiling, I prefer warm weather.

Ministering to lost bikers is becoming a bigger challenge. The message has not changed, but the events we are taking the message to has become fewer and fewer. Our newer members have probably not noticed this decline of events. We used to have Three large M/C organizations. They had many local club (Like our TEAMS) which sponsored events we witnessed to. Today, that has been reduced to just one.

Honda introduced their GoldWing line of motorcycles in 1974. Shortly after, the Gold Wing Road Riders (GWRRA) was formed in 1977 by GoldWing Owners. Then, in 1987, just two years before MJM got started (1989), the Gold Wing Touring Association (GWTA) got started. Both these organizations grew rapidly for a number of years. At their peak, the GWRRA was the largest MC organization in the US, after the AMA. It had 80,000 members with over 800 chapters. You could find a chapter/club from one of these two organizations in about ever town with a Honda Dealer. In 1983, Harley Davidson (factory) joined in and started the Harley's Owner Group (HOG). Today, HOG is the largest motorcycle organization in the world. They have over 1 million 200 thousand members in 1,400 chapters worldwide.

In the 90s and early 2000 you could find a number of motorcycle events or rallies from these three clubs within a 50 mile ride from home every weekend. It was like the individual local clubs were sort-of in competition with each other. They held many fantastic well organized rallies. I can remember having to pick and choose which event we wanted to go to. Some clubs even contacted our rally coordinator Earl Dudgeon in advance to schedule our MJM Evangelist for their Sunday service. As you know, that's not the case today. So, what happened?

Well, both Honda organizations have disbanded. Their membership interest began to change. The cost of doing business kept going up, while their membership kept going down . And, the lack of dealer and manufacturer support didn't help either. The GWRRA held on the longest. They closed their doors in 2022. The main reason given, "high operating cost". American Honda's response, "We hate to see them go, they were a asset to motorcycling". Did they? Sadly, no offer to help support all those GoldWing GWRRA buyers was ever made. However, the HOG organization, is alive and still going strong.

Today, MJM has the same problem. It's membership is faltering like those secular organizations. MJM needs more new members to spread the Word. I pray you are carrying some MJM information and Membership Apps on your bikes to share with Christian bikers as you ride. We do not want to have a repeat of what happened to those secular organizations. They existed only for their personal fun and pleasure. By them closing up shop, nothing was really lost other than some fun activities. However, MJM has a mission. Souls are at stake. Back in the nineties, MC events were so-to-speak just handed to us to attend. Today we have to hunt for them and they may not be next door. It may

cost a little more and we may have to ride a little further to attend them. Those reasons do not change MJMs mission or purpose to spread the gospel as Jesus directed us. The verse below say's it all:

Rom 10:13-14 The Lord God will save everyone who asks him for help.' 14 But people will never ask Christ to help them if they have not believed in him. And they will never believe in him if they have not heard about him. And they will not hear about him unless somebody tells God's message to them. 15 And nobody can go to tell God's message to people unless God sends them. (Easy English Version)

Ride Safe, Keep the rubber side Down.

Equip me Lord

_With the belt of truth. May your truth rule in my heart and be in my mind and now on my lips today.

With the breastplate of righteousness. Apart from you there is no righteousness, but through Jesus I have been born again and made righteous in your sight. May I live as a righteous person.

With feet fitted with the readiness that comes from the gospel of peace. May I reflect the gospel in my words and actions, that may, with my every encounter, draw others one step closer to you.

With the shield of faith. May I take you at your word concerning promises about the present and future, promises of everlasting love, abundant life, and so much more.

With the helmet of salvation. Remind me that nothing can separate me from your love and that I've saved by grace. In your grace help me to say no to all ungodliness and worldly passions, and to live a self-controlled, upright, and Godly life.

With this sword of the spirit, the Word of God. May your Holy Spirit reign in my life and bring to my mind Bible verses to be in my heart and on my lips. May I be filled with the spirit and ready with scripture as you were, Jesus, when the devil tempted you.

Finally, keep me in an attitude of prayer. Remind me to pray at all times in the spirit. Cause me to be alert and always praying for the Saints; To be joyful and to give thanks and everything.

FROM THE EDITOR

“Can 1 stone change the course of history?” Tom and I started watching the Prime series “House of David” last night. The opening monologue to the show asks that question. There are many different giants in our lives that we need to slay and the only weapons we have are a slingshot and stone. I say to you that is all you need. Phillipians 4:19 says, “And my God will supply all your needs according to His riches n glory in Christ Jesus.” And “Is anything too hard for the Lord?” Genesis 18:14. The Bible is full of miracles from Genesis to Revelations. God has not changed. He is the same yesterday, today, and forever. I have friendships, health, and many other miracle stories in my life. The only thing that ever waivers is my faith. God’s got your back!!!!!!!!!!!!

DECAY

To decay; to waste away, to fall into ruin, to decline from a state of excellence.

We have all seen this happen, a building abandoned and left to wither away. Ever notice how quickly a place goes downhill after being unoccupied? Some may recognize this building in Middletown, New York and it wasn't so long ago it was a thriving business. Don't know why it went under or was abandoned, but it was. Time after time I would pass by and notice how fast it was being diminished by seemingly just the fact of nobody using it.

Got me to thinking and contrasting this decay and neglect with the physical and the spiritual as in this buildings falling being likened to our spiritual bodies.

When we are "born again", make that decision to follow Jesus/Yeshua, we are washed clean and put in about as excellent a shape as our souls are going to be, because we have been made "new". But, we can easily fall into spiritual deterioration if we abandon this new "temple" of ours and do not occupy it with the things of God. If we abandon ourselves to the ways of this world we too will "spiritually" fall into decay. What do we need to occupy our "temple"? Like-minded brethren, prayer, reading The Word, Church, praise and worship, all these things and more will keep your soul and your "temple" in good order and make your indwelling Holy Spirit more able to be heard because you are not dampening His voice with the smuts of this world.... gt

For this reason I bow my knees before the Father, from whom every family in heaven and on earth derives its name, that He would grant you, according to the riches of His glory, to be strengthened with power through His Spirit in the inner man, so that Christ may dwell in your hearts through faith; *and* that you, being rooted and grounded in love, may be able to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ which surpasses knowledge, that you may be filled up to all the fullness of God.
