## A Christmas Present

“Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, ‘Glory to God in the highest, and on earth peace to men on whom his favor rests’.” Luke 2:13,14 (NIV)

Caroling is a great and rewarding way to share the Gospel. Nursing home residents love to join in so make copies to pass out. Join in with a carol or 2 with the Salvation Army Ringer. Realize the joy of bringing hope to the hopeless and lost!

For now, Christmas is an open door to fulfill the great commission. Sing to the world with the joy God has placed on your heart. “All authority in heaven and on earth has been given to me. .... go and make disciples of all nations,..... and teaching them..... And surely I am with you always, to the very end of the age.” Matthew 28:19-20.. When Jesus goes before our pride and self, the world hears the grace of our Lord and Savior. And you will be ministering. And ministered to!!!

Like the time I was singing alone at the mall and a passerby gave me a donation to stop singing. And the very next donation was from a little old lady that said she heard me from the other end of the mall and I sounded like an angel. Never mind a present I got a Christmas miracle.

There is a battle going on so don't forget “.. surely I am with you always.....” .“Do not suppose that I have come to bring peace to the earth. I did not come to bring peace, but a sword.” Matthew 10:34 (NIV)

Peace on earth brings to mind people joining together in one spirit to love one another. But this is not the peace that Jesus came to bring; His mission was to carry a double-edged sword that would sever the lies of darkness from the truths of God. So as we celebrate, let us lift up praises to God for calling us to share in the light of His truth, which brings peace into our hearts. Let us join voices with the heavenly choir as they sing their song of love, ‘Glory to God in the highest, and on earth peace to men on whom his favor rests’

Peace.

# The Fought-Over Life

Tiny Israel is the most fought over land in human history. Fought over by the ancient pharaohs, Amorites, Canaanites, Philistines, Assyrians, Babylonians, Persians, Romans, Mohammedans, Mamelukes, Crusaders, Ottomans, French, British, Arabs, and finally Israel again—the Jewish people. You'd think with all that fighting, Israel was filled with natural resources and riches. It has almost nothing, except that it belongs to God. Which makes the stakes there especially high. From there the kingdom and the blessing will come. You might feel like life is a battle. The reason is because you belong to God and your life is precious. There's a high calling on it and a promise of great things to come. It's worth the fight, and the enemy knows it. His job is to discourage you from persevering and inheriting the blessing. He knows how precious and how high the promise and the calling is on your life. Be encouraged, fight the good fight, and keep going until you inherit the blessing. You knew you had a fight, but now you know you've got something worth fighting for.

### WHY DOES GOD ALLOW.....

Everyone has heard, especially from un-believers, why does God allow a person to be born in such a terrible condition, or why does God allow such calamity to befall someone, especially “good” or “innocent” people. You know what? I haven’t a clue. Why people are born lame, cripple or crazy. Or why some lose loved ones when it doesn’t seem their time to die or people that become paralyzed or grow up abused or abandoned or things of that nature. It could be pointed to “original sin” perhaps, but although The Lord hasn’t confided in me the reasons, I do see some of the results.

I see people that were born or have become paralyzed become strong in their faith and advocates of other handicapped people. I see those who have gone through cancer become helpers of others or organizations that help fight cancer, physically or monetarily. If you check out the workers at say a handicapped facility you’ll likely find a great number of these people have handicapped people in their family. Women in the field of helping those not choose abortion, or rape councilors, or those helping others who have been abused by husbands; I believe you would find a good percentage of these have had to go through the same traumas in their lives. This goes for those in research also. For instance those who search for cures.

These people, it would seem to me, would have a closer insight into the feelings of those going through similar situations. And I thank God for them.

So what does all of this mean? I am not saying some should or do suffer to have insight into suffering but it seems to point out to me that nothing is pointless in God’s world. Everything can have meaning, whether we can comprehend it at the time or not. Even out of horrendous situations there is the capacity for good. I can look back at seemingly bad things that have happened in my life that in retrospect I can say, thank You Lord.

And again I say,  
Thank You Almighty God.
