

# ***MJM's Road Representatives 1989 to Present***

NOTE: This list is not 100% accurate. No one ever kept a complete list of the MJM Road Representatives. The Rep names below were obtained by going back through Voice Newsletters. Since some newsletters are missing from the archive and some issues covered three months, a few road reps may have been board appointed which are not listed. The appointment year and retiring year shown may also not be correct. If you note any, let the historian know.
