THE RUTTER

"...You're lost, lad, unless...unless you have a rutter

"A rutter is a small black book containing the detailed observation of a pilot who had been there before. It recorded magnetic compass courses between ports and capes, headlands and channels. It noted the sounding and depths and color of the water and the nature of the seabed. It set down the how we got there and how we got back: how many days on a special tack, the pattern of the wind, when it blew and from where, what currents to expect and from where; the time of storms and the time of fair winds; where to careen the ship and where to water; where there were friends and where foes; shoals, reefs, tides, havens; at best, everything necessary for a safe voyage. "

Shogun
J. Clavell

The "rutter" is an obsolete term from the time of the sailing ships (15th and 16th centuries), but the idea is sound. Our life is a voyage and we all need help in navigating, finding our way through. Our parents, our teachers and others can be guides, but guides that also had to, and in most cases still are, finding their way.

My journey through this life is heading me to a safe "port". My hope and faith are that my "last port of call" will be in Heavenly places. So, my "rutter" is The Bible. A true guide to how to live and have your soul survive the trip. Yes, written by men, but divinely inspired by God. There are and have been many detractors of the Bible but to my knowledge, nothing written has ever been disproven. What other books can you say that about?

If you wish to reach a "safe harbor" and secure yourself in the afterlife put your faith and trust in the "living word of God", Jesus. All scripture is sound for instruction but Jesus

came down to specifically show us the way. Because of His great love for us and His obedience to The Father, He sacrificed His body to undo the wrongs and make a way to become born-again; to have a second chance.

Ask Jesus (Yeshua) to come into your heart, admit to Him you are a sinner (we all are), and try and follow His ways and you can be one of us "born-again" believers with a place in the life to come. A place where there will be no tears and no pain.

p.s. Don't forget to follow up with other like - minded believers and read your B.I.B.L.E.; your Basic Instructions Before Leaving Earth.

EDITORS NOTE

I am still standing in agreement with everyone that our ministry will grow. The Word says, “Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven. For where two or three gather in my name, there am I with them.” (Matthew 18:19-20 NIV) “If you have faith as small as a mustard seed, you can say to this mountain, ‘move from here to there,’ and it will move. Nothing will be impossible for you.”

2 Timothy 1:7 (New Living Translation) “For God has not given us a spirit of fear and timidity, but of power, love, and self-discipline.” Tom and I just finished celebrating our 26th wedding anniversary in West Virginia. This year we spent the week riding through the hills in our Can Am Maverick UTV. It was a lot of fun. This brought back memories. When Tom and I celebrated our anniversary in 2016 we rode our motorcycles to the Ohio River and spent the night at a bed and breakfast. We had only been riding for about a year. My motorcycle was a Honda Shadow 600 and Tom was riding a Honda Shadow 750 (he still has his). Along the way there was a very big hill we had to go up and then down. I made it up the hill but was very afraid to go down. We stopped at the top and pulled over. Tom said to me, “If you don’t ride your bike down that hill we are going to leave it here.” That was all I needed to hear because there was no way my motorcycle was not coming with me. Let me say I rode that motorcycle down the hill and up and down many other hills since that time. It was that same fear that took over for a minute when I was faced with driving our UTV down a stream this weekend. I did drive down that stream and through other streams this weekend. It was so much fun. When Tom and I first met neither one of us wanted a romantic relationship. We were friends for awhile. Eventually we started dating and he asked me to marry him. I was not ready and said no. I was very afraid. He asked again and this time I asked the Lord. A friend invited me to a John Hagee revival and I was given a word during the sermon saying it was ok to marry Tom. So thankful I listened. Do not listen to that spirit of fear and timidity. You never know what you’re missing.

Grandma Misses Me?

Hold on, I'm on my way!
